Soft Skills: Project Management, Time Management, Team Collaboration, Problem Solving

PROJECTS

MyVault—AI Finance Platform — [Live Demo](#)

Jan 2025 – March 2025

Next.js, Supabase, TailwindCSS, Prisma, Inngest, ArcJet, Shadcn UI

- Built a scalable, AI-enabled finance platform with features for transaction tracking, automated receipt parsing, and real-time expense visualization, enhancing user financial insights.
- Integrated Gemini AI to auto-extract data from uploaded receipts, reducing manual input and improving transaction accuracy by 30%.
- Implemented Supabase and Prisma for scalable data management and Inngest for asynchronous background processing.
- Enhanced security and observability using ArcJet, and crafted a modern, responsive UI with Shadcn UI and TailwindCSS.
